

DN Tanks Spring 2024 Scholarship

Announcement

We are proud to announce Ernesto Luna has been awarded the DN Tanks Spring 2024 Scholarship! Congratulations Ernesto!

Ernesto's Contributions

Congratulations to Ernesto Luna on winning one of the DN Tanks scholarships for the first term of 2024! Ernesto has become a valuable asset to the estimating department this past semester working in El Cajon. He has excelled in communication and collaboration with members of both the estimating and construction departments and is always willing to take on new tasks and further develop his professional skills. Ernesto has a go-getter personality and great instincts. He gives us confidence that all of his assignments will be delivered with a positive outcome and a high quality of work. Ernesto did an excellent job managing subcontractor bids for a challenging scope including the removal of an existing coating with many unknowns on our recent CTS bid in Tempe, AZ. It has been a pleasure working with Ernesto over the past six months, and Ernesto will look to further his development at DN Tanks as he transitions to the construction department in El Cajon for a second internship at DN Tanks for the remainder of 2024.

Presented by Matt Ford

The DN Tanks Scholarship Program was established to recognize students who excel in their work at DN Tanks as either a cooperative education student or intern student. For over forty five years, these students have played an important role in the growth and prosperity of the company. Our scholarship program is intended to recognize the students who make unique contributions and exhibit DN Tanks' Core Values. Scholarships are awarded semi-annually.
