

DN Tanks Spring 2024 Scholarship Announcement

We are proud to announce Taylor Greco has been awarded the DN Tanks Spring 2024 Scholarship! Congratulations Taylor!

Taylor's Contributions

Congratulations to Taylor Greco for being awarded one of the DN Tanks scholarships for the first term of 2024! This marks Taylor's inaugural experience as a co-op, and it has been an absolute pleasure collaborating with her on a daily basis. Taylor has shown remarkable proficiency in communication, teamwork, and organizational skills. She arrives each morning with a positive attitude and maintains a high level of professionalism, which is particularly impressive given her status as a first-time co-op. Taylor has demonstrated exceptional ability in sourcing contractors for competitive pricing and consistently keeping the majority of her projects under budget. Throughout her co-op, Taylor has proven to be an invaluable asset to the construction department. Additionally, she has taken the initiative to visit several projects, further developing her understanding of Type III tank construction and CTS rehabilitation projects. We would like to thank Taylor for contributions over the past few months and wish her nothing but the best as she continues her education at Northeastern!!

Presented by Matt Azarella

The DN Tanks Scholarship Program was established to recognize students who excel in their work at DN Tanks as either a cooperative education student or intern student. For over forty five years, these students have played an important role in the growth and prosperity of the company. Our scholarship program is intended to recognize the students who make unique contributions and exhibit DN Tanks' Core Values. Scholarships are awarded semi-annually.
