

DN Tanks Spring 2024 Scholarship

Announcement

We are proud to announce Thomas Powers has been awarded the DN Tanks Spring 2024 Scholarship! Congratulations Thomas!

Thomas' Contributions

Congratulations to Thomas Powers on winning one of the DN Tanks scholarships for the first term of 2024!! It has been a pleasure working and collaborating with Thomas during his Internship term. He has consistently shown remarkable talent in communication, collaboration, and learning and development. Thomas has worked to contribute to the sales development phase and the out-for-bid phase throughout his time at DN Tanks. He has become proficient in attaining competitive pricing for various scopes of work from subcontractors. He can map out efficient site layouts for the team. He was able to join the Richardson, TX floor pour where Armando Espinosa put him straight to work. Thomas has exhibited an excellent attitude and high professionalism throughout his time here. We wish him the best of luck in August as he returns to finish out his senior year in the Texas A&M University Construction Science program. Thanks and Gig 'Em Thomas! Whoop!

Presented by Jeremy Jacobs

The DN Tanks Scholarship Program was established to recognize students who excel in their work at DN Tanks as either a cooperative education student or intern student. For over forty five years, these students have played an important role in the growth and prosperity of the company. Our scholarship program is intended to recognize the students who make unique contributions and exhibit DN Tanks' Core Values. Scholarships are awarded semi-annually.
